

# CHAMPION FOR LIFE

## Pope Saint John Paul II

Pope Saint John Paul II was called Karol Wojtyła before he was chosen to be the first Polish pope to lead the Catholic Church. During his papacy, Pope Saint John Paul II was a great hero for life. He believed that all human beings need to be protected and loved—from the moment of creation until death!

“Life is always  
a good.”

Pope Saint John Paul II,
